eco bathroom culture

To make the most of your bathroom - en-suite or loo, requires furniture that appeals, is highly functional and ready made to give you storage.

From the complete chemists store to soft private preferences its nice to store it. Accessible, but out of view.

eco bathrooms offer the widest or narrowest range of highly attractive furniture designs to make the most of your bathrooms.

The extensive and carefully thought out range of cabinets in a choice of depths allows for design where traditionally there has been none. Soft close doors are complimented by a range of tasteful handles or handle free with push click opening.

Complementing our furniture we offer a collection of basins, taps & pan plus feature units, mirrors & lighting to make the most of your space.

size really does matter

Versatility is the key to maximise every millimetre of available space.

By utilising the features eco bathrooms offers using the 220mm deep base cabinets either wall mounted or floor mounted space is balanced perfectly.

Featured is the Slimline Lupi Semi-recess Slab Basin which has been specially designed to work perfectly with slimline base cabinets.

Making the most of available wall space, wall mounted cabinets are used with the optional mirrored fronted units. Adding more light is the Imago mirror with Stik overlight fitted.

Fitted perfectly to hand is our tissue roll unit offering instant access with additional storage below.

Completing the maximisation of available space our dual flush Cistern which fits perfectly within the slimline base cabinets.

Terms & Conditions

Installation.

The guidelines should be followed, all edges should be fully sealed taking special care with work surface joints and edges, around basins and especially bath panels. Hung units must be secured using adequate fixings, the working load of the internal hanging brackets are shown in the instructions.

Maintenance & After care.

Water spillage, heavy condensation & cleaning with chemicals should be avoided. Clear up any spillage and wipe dry any excess moisture. Ensure adequate ventilation has been created thus minimizing the effects of condensation.

Surfaces should be cleaned with a damp cloth, mild solution of liquid soap in water and polished with a dry cloth. Do not use abrasive cleaners, solvents or furniture polish.

Guarantee.

Eco bathroom furniture carries a 5 year guarantee, from the date of purchase, covering failure through defects in design and manufacture and material failure, during domestic use. It is essential that products have been installed to the instruction guidelines, and maintained in accordance the care requirements.

We undertake to repair or replace at our discretion. Liability does not cover consequential loss or damage, refitting or redress for same.

Copyright License:

Copyright and intellectual property rights are maintained by the company and reproduction of any part of eco bathrooms artwork, photography, logo or price list, may not be reproduced in any form without the written permission of the company.

Colour reproduction: Colour reproduction in all publicity is dependent upon the photographic and printing processes available. We recommend that an actual sample is viewed to ensure close matches are acceptable.

E & O E. 2008. In our continued process of product development we retain the right to alter and amend materials and specification without prior notice. See terms and conditions of sale.
